Sir,

With reference to Government Proceedings No 6946-7 SL3 of the 6th November last, sanctioning the levy of Octroi on certain articles in the Town of Tiptur, I have the honor to submit for the information of Government the petition received from the inhabitants of Tiptur praying for the introduction of the Octroi system in lieu of the Octroi system sanctioned in the Government order quoted above. The petitioners apprehend that the levy of octroi on jaggery and other articles would gradually demoralise trade in the town as all the articles manufactured in the adjacent villages and those imported from outside the Municipal limits, but despatched from villages 2 or 3 miles away from the town of Tiptur would be brought

to them

2 The Dipton Municipal Board in a meeting held on the 27th November 1902 proposed the abolition of Octroi and advocated the introduction of the toll gate system on the cart to entering the Town, at 2 annas per loaded cart and one anna for empty carts and estimated the income by adopting the latter system at 3000 Rupees per annum.

3 Thereupon the Vice President was directed to consult the inhabitants of the Town as also the Members of the Board as to whether they were agreeable to the retention of Octroi on piece goods alone as obtained at Darjeeling and the introduction of toll gate on the other articles. The Vice President now reports that the Board and the inhabitants prefer the introduction of the toll gate system in respect of all the articles to the levy of Octroi duty

4 I am of opinion that the system of levying Octroi should be abolished and the Dipton Municipality be allowed to realise Rs 2½ annas on Cart loads and Rs 1½ annas on empty carts entering the Municipality for the period of 5 years from the date of the introduction of the system. I would however suggest that the Municipality be required to submit a report to this office at the end of the 3rd year

on the question

I The Cameron records are herewith forwarded for reference and favor of return when no longer required.

I have the honor to be,
Sir,
